# INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

October 1-31, 2005

# **SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS**

## **INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT**

This Intergovernmental Review Clearinghouse Report summarizes the federal grant applications, environmental documents and other information received by SCAG's Intergovernmental Review (IGR) Section during the period **October 01 through October 31, 2005**. The Clearinghouse Report consists of two sections, Federal Grant Listing and Environmental Documentation Listing.

The Federal Grant Listing is provided to inform your organization of all grant applications for federal assistance from our region in accordance with Executive Order 12372. The listing includes state sponsored plans and project types such as Housing and Community Development, Urban Mass Transit, and Human Services. The Environmental Documentation Listing describes regionally significant and non-regionally significant facilities (e.g., transportation, wastewater treatment), residential, commercial and industrial projects which have been voluntarily submitted for review by local governments. Environmental documents received include Notices of Preparation, Environmental Impact Reports, Environmental Impact Statements, Negative Declarations and Mitigated Negative Declarations.

A SCAG Project Identification Number organizes project descriptions for both the Federal Grant and Environmental Documentation listings.

## **IGR CONTACT**

To include the interest of your jurisdiction or comment on proposed comprehensive planning, areawide coordination or environmental impacts please contact the IGR Section prior to **November 15, 2005**. Please send one (1) copy of all environmental documentation. Also, please provide the name and telephone number of the contact person on your transmittal. We may be reached at:

Mailing Address:	<b>Southern California Association of Governments</b> Intergovernmental Review Section 818 West Seventh Street, 12 <sup>th</sup> Floor Los Angeles, CA 90017-3435
Telephone:	(213) 236-1800
Fax:	(213) 236-1963

Questions regarding the Clearinghouse Report should be directed to Laverne Jones, (213) 236-1857.

Comment Due Date: 10/24/2005

**Project Description:** The applicant is requesting approval of a Hillside Development Permit to construct a new 4,572 square foot, two-story residence that includes a 794 square foot, three-car garage. The subject site is a vacant hillside property that measures 20,840 square feet in area. The property was previously graded as part of the original Braewood Court subdivision in the early 1990's. The architectural design of the

home features a series of low-pitched shed-style rooflines; stucco walls with some wood plank siding, a dual-glazed, wood framed windows and doors. The project is located at 939 Braewood Court, City of South Pasadena, County of Los Angeles, California, 91030.

**Project Description:** This Final Environmental Impact Statement/Environmental Impact Report (FEIS/FEIR) for the Mid-City/Exposition Light Rail Transit Project. This document was prepared by the Los Angeles County Metropolitan Transportation Authority (Metro) in coordination with the Federal Transit Administration (FTA).

This project is the newest proposed extension of the 62-station Metro Rail system. Current plans call for a project that extends for approximately 9 miles primarily along the Metro-owned Exposition right-of-way from the 7th/Metro Center Metro Rail Station in Downtown Los Angeles to the vicinity of Venice/Robertson in Culver City. The project will include eight to nine new stations plus upgrades to existing stations.

City/County/Subregion:	City of Los Angeles/Los Angeles/Los Angeles City
Contact:	John E. Zimmerman - (510) 987-9593
Comment Due Date:	N/A

**Project Description:** The proposed project involves the construction of a replacement laboratory building for the Life Sciences program of the College of Letters and Science on the UCLA campus. Work will involve demolition of the non-historic portion of Hershey Hall to create a site for construction of a 5-story (plus basement) replacement laboratory building. The project is located at the intersection of Manning Drive and Charles E. Young Drive East, UCLA Campus, Los Angeles, California.

Project Title: Seal Beach Shopping Center Renovation  
Reg. Significance: No  
Lead Agency: City of Seal Beach  
City/County/Subregion: Seal Beach/Orange/Orange County  
Contact: Lee Whittenberg - (562) 431-2527  
Comment Due Date: 11/4/2005

**Project Description:** The proposed project consists of the renovation and reconstruction of the Seal Beach Shopping Center. A portion of the center will be demolished including the grocery/drug store, drive-through coffee shop, car wash, gasoline/service station and the gas station pump island canopy. The grocery store will be reconstructed at its existing location. The drug store will be relocated to a new building on the west end of the northern retail building. The service station will be relocated without the associated repair shop and the existing coffee shop will be reconstructed adjacent to the gas station. The proposed project will result in a new increase of 12,609 square feet. A height variation will be required for architectural features in excess of the 35' height limitation. The proposed project location is 901-1101 Pacific Coast Highway, Seal Beach, California.

Project Title: **Valley Regional High School No. 5**  
Reg. Significance: **No**  
Lead Agency: **Los Angeles Unified School District**  
City/County/Subregion: **San Fernando/Los Angeles/Los Angeles City**  
Contact: **Jason Ricks - (213) 633-8423**  
Comment Due Date: **11/5/2005**

**Project Description:** The proposed school site is located on the 16.5-acre northeast portion of a parcel located at 601 Glenoaks Boulevard in the City of San Fernando. The site is bounded by Arroyo Street on the southeast, a vacant lot on the southwest, the Pacoima Wash (flood control channel) on the northwest and light manufacturing properties to the north.

The Los Angeles Unified School District (LAUSD) proposes to construct a new high school (grades 9-12) campus on the project site. The campus will consist of four

separate "Small Learning Communities" (SLC). The proposed project would provide 2,160 two-semester seats for grades 9-12. At completion, the project would accommodate approximately 200,000 square feet (SF) of building space and include 80 classrooms.

City/County/Subregion: City of Los Angeles/Los Angeles/Los Angeles City  
Contact: Barbara Wu - (213) 633-8258  
Comment Due Date: 11/8/2005

**Project Description:** The project site is approximately 5.86 acres in size, located in central Los Angeles. The proposed project site is situated at the southwest corner of Adams Boulevard and Compton Avenue and extends northwest along Adams Boulevard to Hooper Place. The project site is located approximately two miles east of Interstate 110 and approximately one-half mile south of Interstate 10.

The proposed project would provide 1,350 two-semester seats for grades six through eight in Local district 5. Current plans are to operate the proposed project on a two-semester schedule with approximately 85 staff. The proposed project would relieve overcrowding at Adams, Carver, and Los Angeles Academy Middle Schools. The proposed project involves approximately 123,000 square feet of program space, including 50 classrooms, a centralized administration, library, drama, food service facility, music facility, gymnasium, and multipurpose room.

**Project Description:** The update of the County of San Bernardino General Plan consists of three components. First, the County proposes the update of the seven state-required General Plan elements: land Use, Circulation and Infrastructure, Housing, Noise, Open Space, Conservation, and Safety. As part of the update of these required elements, the County is proposing the adoption of an elective element of the General Plan, an Economic Development element. Second, the County is proposing the adoption of community plans for 13 areas of the County: Lake Arrowhead, Hilltop, Bear Valley, Crest Forest, Lucerne Valley, Muscoy, Lytle Creek, Bloomington, Oak Glen, Phelan/Pinon Hills, Homestead Valley, Morongo Valley and Joshua Tree. Finally, the County is proposing to update the Development Code to reflect the updated General Plan and the community plans.

**Project Description:** The environmental staffs of the Federal Energy Regulatory Commission (FERCE or Commission) and the Port of Long Beach (POLB) (Agency Staffs) have prepared this draft EIR/EIS on the liquefied natural gas (LNG) import terminal and natural gas pipeline facilities proposed by Sound Energy Solutions (SES). SES proposes to ship LNG from a variety of Asian and other foreign sources to provide a new, stable source of natural gas to serve the needs of southern California, particularly the Los Angeles Basin (LA Basin).

Project Title: Proposed Amended Rule 1151  
Reg. Significance: No  
Lead Agency: South Coast Air Quality Management District  
City/County/Subregion: County of Los Angeles/Los Angeles/Los Angeles City  
Contact: Ricardo Rivera - (909) 396-3069  
Comment Due Date: 11/18/2005

**Project Description:** The objective of PAR 1151 is to further reduce emissions of volatile organic compounds (VOC) from non-assembly line automobile refinishing coatings, and would implement in part the 2003 Air Quality Management Plan (AQMP) Control Measure CTS-10 -- Miscellaneous Industrial Coatings and Solvent Operations. PAR 1151 would modify coating categories and VOC limits in accordance with the ARB Draft Automotive Refinishing suggested Control Measure (SCM). PAR 1151 would affect the South Coast Air Quality Management District: the four-county South Coast Air Basin (Orange County and the non-desert portions of Los Angeles, Riverside and San Bernardino counties) and the Riverside County portions of the Salton Sea Air Basin and the Mojave Desert Air Basin.

Project Title: South Airfield Improvement Project (SAIP) (Volume 3)-- Final EIR  
Reg. Significance: Yes  
Lead Agency: Los Angeles World Airports  
City/County/Subregion: City of Los Angeles/Los Angeles/Los Angeles City  
Contact: Karen Hoo - (310) 646-3853  
Comment Due Date: N/A

**Project Description:** The enclosed document (Volume 3) comprises the second and final part of the Environmental Impact Report (EIR) for the South Airfield Improvement Project (SAIP) and supplements to the Draft EIR for the SAIP (consisting of Volumes 1 and

2), previously circulated for public review and comment. The enclosed document, together with Volumes 1 and 2 comprises the full and final SAIP EIR.

The proposed project consists of the relocation of Runway 7R/25L approximately 55 feet to the south and the construction of a new center parallel taxiway between the two south runways at Los Angeles International Airport (LAX). The purpose of the SAIP is to enhance the safety of operations at LAX by reducing the potential for runway incursions.

City/County/Subregion: County of San Bernardino/San Bernardino/San Bernardino  
Contact: Norman Caouette - (760) 946-7009  
Comment Due Date: 12/13/2005

Project Description: Depending on the alternative selected for implementation, the project would involve:

- Use of existing MWA pipeline facilities for recharge of imported water supplies;
- Use of the Mainstem Mojave river for recharge of imported water supplies;
- Construction of up to about 850 acres of new recharge basins in the vicinity of Hesperia, Victorville, Adelanto, and Apple Valley;
- Construction of up to approximately 50 new groundwater extraction wells, including a well-field along the Mojave River between Rock Springs Road and the Narrows;
- Construction of buried water pipelines to connect wells to local agency facilities and to the California Aqueduct at various locations;
- Modification and use of an unnamed wash draining the Summit Valley area west of Mojave Forks Dam to deliver supplies from the California Aqueduct to the Mainstem Mojave river about 1 mile north of the dam; and,
- Implementation of a cooperative water banking and exchange program between Mojave Water Agency, the Metropolitan Water District of Southern California, and/or other State Water Project Contractors.
